## OPPORTUNITA'

The Manager in Training program is a blended learning program focused on immersing the trainee in all aspects of managing a multi-million dollar business for Abercrombie & Fitch. Training takes place in all of our domestic and international store locations. Each week of training focuses on a different aspect of running the business. Every trainee will learn about different principles of management, including store operations, recruiting, diversity, creating the best in-store experience, human resources, stockroom systems and visual merchandising. In addition to meeting other associates, the trainee will also interact daily with the General Manager and weekly with the Senior Manager. The General Manager and the Senior Manager will facilitate coaching sessions as well as conduct weekly assessments and performance evaluations. The trainee must successfully complete the training program to be moved into an Assistant Manager role.

## RECLUTAMENTO E SELEZIONE

We hire nice, smart, talented people who are interested in building a career at Abercrombie & Fitch. We have a strong philosophy of promotion from within. All of our District Managers, Regional Managers, Directors - even the Senior Vice President of Stores - have gone through the Manager in Training program. With the growth of the company domestically and internationally, career opportunities have never been better.
