CHI SIAMO

Vuoi portare le tue esperienze, abilità e passioni in Microsoft? Ti aspetta una grande opportunità, potrai avere una splendida carriera e ti sorprenderà il modo di vivere e di lavorare che si respira in azienda. Immagina l'eccitazione e la soddisfazione che proverai scoprendo quante esperienze potrai fare, dove potrai arrivare e le cose che potrai realizzare con il supporto e le opportunità che ti offrirà Microsoft.

Microsoft, azienda innovatrice nel campo delle tecnologie, dei prodotti e delle soluzioni, tocca la vita delle persone di tutto il mondo e le aiuta a realizzare il proprio potenziale. Un business molto umano che incoraggia l'espressione individuale e la libertà di opinione di ogni dipendente.

OPPORTUNITÀ

Microsoft Academy for College Hires: IT - Services/Technical Focus

As a technical MACH, you'll implement, develop, and architect effective solutions while working directly with customers. You'll use your software expertise to help ensure that our customers get greater business value from our world-class technology. You'll also grow your own expertise in platform and industry solutions and strategic technology consulting. If you want to have an immediate impact with real-world implications, this a great place to start!

Responsibilities:

- ▶ Capable to have technical discussions
- ▶ Basic knowledge about Microsoft technologies (Azure, Cloud, Office 365, Skype for Business, Sharepoint, Yammer, Microsoft Server, etc.)
- ▶ Able to translate the advantages of our technology into business added value
- ▶ Generate a high customer satisfaction
- ▶ Strategic thinking about our technologies (what will be our technologies in 2020?)
- ▶ Convince customers to introduce the Microsoft technologies (evangelist)

Who are we looking for?

- ▶ University or college degree, graduate degree preferred
- ▶ First work experience (jobs/internship)
- ▶ Passion for technology
- ▶ Analytical problem solving skills
- ▶ Competency in building successful relationships
- ▶ Customer and partner focus
- ▶ Excellent interpersonal communication and presentation skills, and strong leadership skills.
- ▶ Tenacious, result-oriented, and committed to continuous learning
- ▶ Great communication skills in English and Italian required

What we offer

- ▶ Career development support
- ▶ A strong peer and career mentor
- ▶ Inspiring worldwide meetings and interactions with peers in workshops and trainings
- ▶ Tools and knowledge to steer your long term career in IT or Services
- ▶ On-going in depth training with current and emerging products and technologies
- ▶ Dynamic and prestigious work experience

Wherever your talents and interests take you at Microsoft, you will find yourself in an environment designed to bring out the best in you. We want you to listen, challenge existing norms, question things, to agree and disagree. We want you to be you. We'll support and encourage you as your career evolves and develops, while providing you with some of the best internal training.

We offer you a challenging, permanent job amidst an enthusiastic team of professionals. Our pace is high, just like our ambitions. You will find plenty of room for own initiative, new ideas and growth. Each day, you will feel the dynamics of a global technological market leader, and you will be shaping the market.

Microsoft has several times been awarded "Great Place to Work". We are one of the companies in the IT business with the highest share of female employees. We make it possible to combine work and personal life, and offer flexible working hours incl. homeoffice. We offer good insurance arrangements and competitive salary.

Be prepared to be inspired! We are excited to get to know you!

Microsoft is an equal opportunity employer and supports workforce diversity. We would like to welcome you in a dynamic work environment, which is characterized by its internationality and flexibility. Microsoft offers attractive salary packages and bonus programs and a new office, which combines innovative technics with design.
